Festival of Trees

Dear Friends,

The annual **Festival of Trees**, an event to support the Prosser Boys & Girls Club, is scheduled for **Saturday, November 14th, 2020 from 4-7 pm**. In order to keep our community safe, our event will take place at the Prosser airport this year in a drive-thru style venue. Guests will be able to drive past more than a dozen gorgeously decorated holiday trees, learn about amazing auction items, as well as pick up gourmet catering to enjoy in the comfort and safety of their home. Our committee is working hard to ensure our event has all of the elements as our tradition in-style venue, including an online auction program that allows for real-time viewing.

COVID-19 has impacted the Prosser Club financially, but with your support we can continue to serve local kids! One hundred percent of the proceeds from the event go directly to Prosser youth programs and the Club's Mission: **To empower all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.**

Event sponsors will continue to receive ample recognition, and your support allows you to give back to the community in a fun and exciting way while helping to sustain life changing programs for local youth. With your help, **great futures start HERE!**

All my best,

Jessica Hoefer
