AARON!

OUR 2023 PROSSER YOUTH OF THE YEAR!

After growing up in an abusive household as a child, Aaron was left with emotional scars and complex feelings, causing him to act out. He struggled to make friends and manage his emotions, but the Club was there for him and provided safety and comfort.

"As a new member of the Club, staff helped me work through all the anger and grief I was feeling from my childhood."

His meaningful connections with staff and his participation in leadership programs, service projects, and other Club activities throughout his 7 years at the Prosser Clubhouse have helped him grow into a thoughtful, caring, open-minded person.

"It's hard to think I went from aggressive and hurt inside, unable to trust people, to having so many friends and such a positive outlook on life."

Aaron has overcome difficult obstacles to learn how to open up to others and grow his confidence. He aspires to travel, learn as many languages as he can, and make the world a better place.

"My ultimate wish is to change the world for the better, in whatever way possible."
