Eerkes Memorial Golf Classic for Kids

For more than 20 years, the Eerkes Memorial Golf Classic for Kids has brought our community together to support and celebrate two incredible youth-focused non-profit organizations: Boys & Girls Clubs of Benton and Franklin Counties and Tri-Cities Young Life. Through three days of golf, dinners, and an exciting auction, this premier fundraising event helps support youth who need us most. Join us for our 2024 event and consider being a major sponsor!

YOUR SUPPORT MAKES AN IMPACT

All proceeds raised from this 3-day event will support thousands of local youth who attend Boys & Girls Clubs of Benton and Franklin Counties and Tri-Cities Young Life.

With your partnership, we can give kids and teens in our community access to these life-changing programs run by caring adults who are committed to each youth's success.

With 29 Club sites across our community, Boys & Girls Clubs of Benton and Franklin Counties fills the gap between school and home. Our caring and dedicated staff members build meaningful relationships with kids and teens, empowering them to excel in school and lead healthy, productive lives.

For more than 40 years, Tri-Cities Young Life has been serving middle school and high school students across Benton County. Through weekly programs and summer camps, local teens have fun, adventurous, and life-changing experiences, while building positive relationships with caring adults and peers.
